## **The 100% Payout Program Review**

Here is a review of how the 100% Payout Program works.

You are free to examine it for a 3-day review. If you upgrade the cost is \$47, and this will give you a new 12 SC account called the Advanced 100 for a full year. Once you upgrade and become an Advanced 100, you will be able to start referring others to the free review. As the people you refer upgrade, you get the \$47 paid directly to your PayPal account so that you are making 100% Payouts.

When your prospects sign up for their 3-day review of 12 Second Commute, they will get information on the 100% Payout service. They will also be placed in your 12 Second Commute Autoresponder allowing you to legally send them other offers and opportunities.

As an Advanced 100 member, you will be able to sell a maximum of 5 (Five) 100% Payout accounts and earn \$235. Once you have sold the maximum 5 (Five) 100% Payout accounts, you will have the option of moving up to the Platinum level at \$47 a month in order to continue selling the 100% Payout accounts. At this point, you can sell as many 100% Payout accounts as you wish. You are no longer restricted to sell 5 (Five) 100% payout accounts.

When your prospect upgrades to the Advanced 100 at \$47, you will be paid the initial \$47 at 100% Payout after he upgrades. The payment will go directly into your PayPal account. Your prospect will then be able to sell a maximum of 5 (Five) 100% Payout accounts and earn \$235.

Once your prospect has sold the maximum 5 (Five) 100% Payout accounts he will also have to move up to the Platinum at \$47 a month in order to continue selling the 100% Payout accounts. At this point, he can also sell as many 100% Payout accounts as he wishes. Like you, he is no longer restricted to sell 5 (Five) 100% Payout accounts.

When your prospect upgrades to the Platinum level, you get paid the full \$47 payment at 100% Payout, and then begin receiving 45% in monthly residual commissions thereafter.

All of those in your downline who have upgraded to the Platinum level, will be able to sell unlimited 100% Payout accounts and earn 45% commissions per month, which means they will be making money and never stop paying their \$47 a month fee. This means that you will never stop getting paid.

Since everyone will be making money, your downline will not quit and your residual commissions will grow and grow. You will be building your prospect list while at the same time getting 10, 100, 1,000 initial payments on \$47 at 100% Payout and downline 45% commissions payments sent directly to you into your PayPal account.
